## Union Farm Reclamation Site

Site address: 11835 Green Valley Road, Union Bridge, MD 21791

Hours of operation: Monday- Friday 7:00am-3:30pm Saturday/After Hours - By request only

### 2025 Offloading Rates

The Union Farm Reclamation site will accept CLEAN fill including dirt, mud, soup, concrete (with or without metal), rock, masonry block, and non refractory brick. All loads will be tested for contamination prior to dumping. If you have any question about the material you are bringing please bring a sample first.

	Dirt	Wet Material	Concrete-clean	Concrete w/Metal	Mixed Load	Vac Truck
Small Load	\$40	\$125	\$50	\$100	\$100	\$300
Tri-axle	\$50	\$150	\$100	\$150	\$200	
Rolloff	\$60	\$200	\$150	\$200	\$250	

We reserve the right to reject any load as we see fit for any reason. If a load is dumped and found to contain contaminants, trash or anything not suitable for fill, it will be re-loaded and you will be charged a fee TBD. We will consider per job pricing for large quantities of material if requested and our regular pricing is subject to change. Union Farm Reclamation Project is mostly all weather capable however if conditions are difficult on your jobsite, they may be poor for us as well, please call to confirm the site is open when weather is inclement.
